ELECTRIC MOTOR SHOP AND SUPPLY

Since 1913, Electric Motor Shop & Supply has been committed to providing the highest level of service to our customers. We find solutions, not just answers, to all of your needs.

SALES – complete automation, electrical and industrial solutions plus a training facility to ensure your team knows how to efficiently operate and quickly troubleshoot products.

SERVICE – industrial projects of all sizes, including custom panel design and installation, PLC programming, AC drives, switchgear, and transformer installations.

REPAIR – all levels of motor and pump repair, service and rewinding.

Electric Motor Shop & Supply is your complete solutions provider.
