**#WorkingBetterTogether**

**2nd Annual**

**South Valley**

**Industrial Summit**

Join us on **November 15, 2018** at the **2nd Annual South Valley Industrial Summit** and **November 14, 2018** for the **Pre-Summit workshops!**

The Industrial Summit provides SVIC partners the opportunity to come together on an annual basis to learn about innovative industries that are growing in the region, to attend informational and educational breakout sessions, and to engage in B2B networking.

Join us **Wednesday, November 14th** for the optional pre-summit workshops offered **free of charge** to industry partners. Come and learn about new technologies and processes.

**Thursday, November 15th** is designed to be a full-day event that will feature vendor booths, keynote speakers, and various breakout sessions offered by industry experts and practitioners.

### **Keynote Speakers**

- ◆ President & CEO, California Dairies
- ◆ Faraday Future
- ◆ Surf Ranch, Kelly Slater Wave Company

### **NEW! Optional Pre-Summit Workshops**

**Nov. 14**

- ◆ Lean Principles
- ◆ ABB Inc in Robotics
- ◆ Variable Frequency Drive Basics & Control Methods
- ◆ Intro to Machine Vision
- ◆ Safety Solutions: Introduction to Automation Safety
